

\$100.00 1st Case Bonus

Earn \$100 for your first case written with Liberty Bankers Life or Capitol Life!

The rules are very simple:

- Submit your **first annuity application** between March 1st and April 30th, 2010.
- A **\$100 bonus check** will be sent **to the writing agent** via separate payment when the policy is issued and the policy free look period has expired.
- **All of our annuity products** are eligible for the bonus except Bankers Accumulator.

This bonus will be based on the date the agent's first case is received in our Springfield office. The date the agent contracted with the company does not matter.

Our products offer features that your clients desire: **guaranteed safety, competitive yields** and **tax advantages**. Take advantage of this limited time offer and earn an extra \$100.
